Nominations for Office of Elder and Deacon for the Class of 2023

The Nominating Committee would like members of the Congregation to prayerfully consider nominees for the Office of Elder and Deacon for the Class of 2023. Three Elders and four Deacons will be elected by the Congregation and begin their three year term of service in January 2020. There is no need to discuss your nomination nor to ascertain a person's willingness or interest in serving. Nomination forms are available in the office.

The Elders on Session have responsibility for governing the congregation and guiding its witness.

Deacons are people of compassion, witness, and service, sharing in the redeeming love of Jesus Christ.
