

Trinity Presbyterian Church-Sick Participant Plan

Our goal is to provide an unforgettable sports experience, and personal growth in a safe environment. Please assist us in maintaining a safe and healthy environment by following the Sick Child Plan. Parents should monitor the health of their children and not send them to any Trinity Church program if they exhibit any symptoms of a communicable disease. Participants shall not be admitted into any Trinity Church program if they appear to be sick or have been sick in the past 72 hours. Participants waiting for the results of a COVID-19 test will not be allowed entry to the program until they have a confirmed negative test or have completed an isolation period of at least ten days. Participants in quarantine will not be allowed to participate. Any participant who has come in close contact with a COVID-19 confirmed person may not return to the program until they have completed a 14-day quarantine and are symptom free.

If ANY of the following symptoms or signs are recognized in the participant, the Sick Child Action Plan below will be implemented:

- Cough
- Vomiting
- Shortness of breath
- Rash with fever
- Chills
- Mouth sores with drooling
- Repeated shakes with Chills
- Wheezing, and/or behavior change
- Muscle pain
- Headache
- The illness prevents the participant from performing activities.
- Sore throat
- Participant exhibits symptoms of communicable disease or parasite.
- Loss of taste or smell
- Diarrhea
- Experiencing an allergic reaction.
- Feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit.

Sick Child Action Plan

Participant will be screened by a staff member if they are presenting any signs of being unwell. The participant is not to participate in the program activities until symptoms are clear for 24 hours.

1st Action: If participant presents or reports any of the above symptoms' participant must be isolated from the other participant and staff. Parent or guardians will be notified immediately and require immediate pick up.

2nd Action: All other participants will relocate while equipment and surfaces are sanitized. All other participants will wash and sanitize themselves accordingly.

3rd Action: If notified that a participant attending or attended a program has been infected with COVID-19, ALL participant parents and guardians will be notified. CDC procedures will be put into action for proper cleaning and sanitation.
