2nd Graders and Up

Worship is for everyone. When we worship God we are loving God. We sing songs to God, we read his words in the Bible, we pray to God, and we learn about God.

Preparing for Worship

What are you thankful for? What good things has God given you this past week?

What are you worried or concerned about? What do you need to pray about today?

Worship Notes

Our songs are ways that we pray to God and praise God.
What songs are we singing/saying today? What are they about?

What were some of the different “parts” of worship today?

What kinds of things did we pray for? (What do YOU need prayer for?)

What’s different about worship? What’s the same?

Sermon Notes

What is the Bible Passage today?

Write down 3 things you remember from the sermon today:

1. _____

2. _____

3. _____

What do Abraham and Sarah do when they find out that they’re going to have a baby?

How does Abraham serve the strangers?
