

Paul said they should mind their own business and work with their hands.

Match the shapes.

Then people would respect them, and they would not need to depend on others.

Living to Please God

Paul said the people had been taught by God to love each other.

Trace the letters.

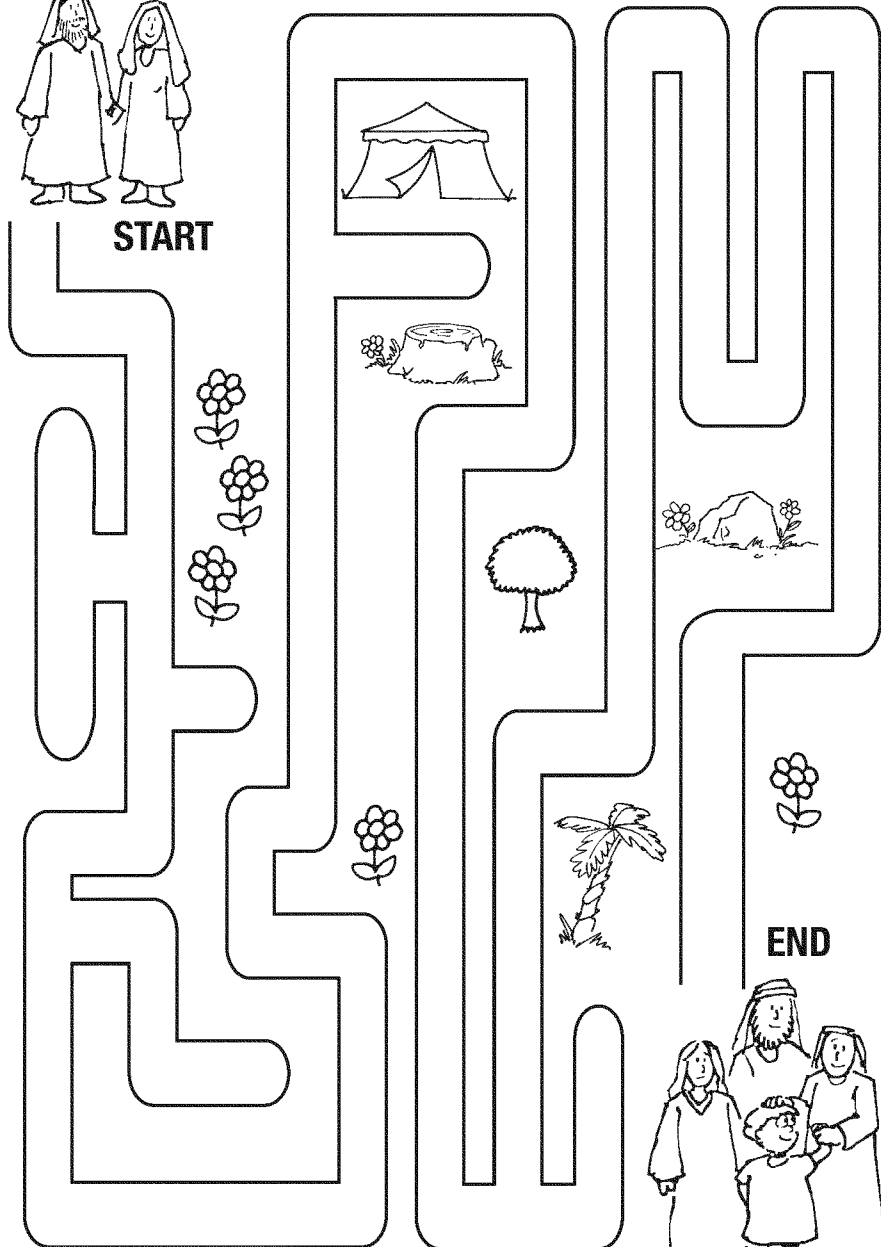

Paul said the people did love all of God's family in their country.

Help the man and woman get to the others.

START

END

He said they should love people more and more, and try to live a quiet life.

Connect the dots.
